

Behold, Behold, The Day of the LORD is at Hand.

Behold, Behold, the Day of the LORD is at hand,
And who shall be able to stand,
For He sits as a Refiner of fire,
Exchanging the dross to gold, and turning the silver 'seven times' purifier

Thus Saith the LORD;
"He that hath clean hands and a pure heart",
Shall be able to stand the trying test in the time of shaking,
When wheat and tares are sifted and set apart,

We acknowledge O' LORD our wretchedness,
And poor state of spirituality,
Fill us, we beseech Thee with Thy Early and Latter Rain power,
That we may experience Thy forgiveness and mercy,

O' that Thy Truth may take deep root and sanctify us, LORD, I pray,
That when the Times of Refreshing, the Full Measure will come,
We will recognize, receive and thousands be converted in a day,

Let us not know step off the Foundations of our Faith,
What are these? you enquire,
These are the 1843 and '50 charts,
Our Pioneer Forefathers, by the hand of the LORD were inspired,
For this would mean departing from the Original Faith,
And such a deed would be very dire

What we now need is teachers of Present Truth,
Who have tasted the Little Book is sweet,
This is the last six verses of Daniel Eleven,
Spoken of by the prophet Sister White,
That in these last days will complete

The world is stirred with the spirit of war,
All prophecies have been fulfilled,
Those who have witnessed the towers fall,
Have not time to sit idle,
We must sound the message of the Third Angel
