

Gathering the Darkness

Every Day pretty well, the email comes in loaded with horror stories and ugliness and I am sure most folk are in the same situation. I wish to share some thoughts I have sometimes returned to folk who harvest the horrible.

Dear Brother;

I realize I was a bit blunt with you regarding that news item and I wanted to share some thoughts with you in brotherly kindness. **I really believe that we are in the closing scenes of history now and if we want to save our souls we need to feast on heavenly things** from SOP and scripture--we must stop looking for and gathering up ugliness, error and darkness. Notice the text

"For, behold, the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise upon thee, and his glory shall be seen upon thee." Isaiah 60:2

Why is there darkness in the earth but **GROSS DARKNESS on the people??** Because the people referred to are **gathering up the darkness and concentrating it!**

Nobody will be helped by reading and seeing all the ugliness of this dying world-- **absolutely nobody will be helped by this and many become discouraged and depressed and Satan has a field-day tearing their faith to bits!!** By beholding we become changed! and if we look at darkness--for whatever reason--we become darkened.

Brother it is not good for you to be searching out this stuff!! You need light--You need to feast on heavenly manna--so do we all.

Bible prophecy and SOP give us all the info we need on the darkness in the world--It is harmful to us to read the insane words of satan-possesed people--Satan laughs at us as we gather up tasty morsels from his stinking cauldron.

I have heard of people who were so discouraged and depressed in their religious experience and once they stopped reading this kind of stuff-- they were like a new person! I sure would not risk my soul to poison and scare other people. Just opt out of the garbage route!

Let's feast at the banquet spread by our Lord--I believe we have a final message to share and it is a triumphant message of Victory in Christ- a message that shows how all history including today's is under Jesus' control--hitherto shall they come and no further--where God draws the line the proud waves are stayed! We fight darkness--not by spreading it-- but with LIGHT!

May light be in all the dwellings of the saints- including yours!

God Bless you!!!

Psalm 101:3 I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

PLEASE remember-- if you are listening to media like radio etc. that it is CONTROLLED by the papacy and that is what they want you to hear. I do NOT listen to them. Their aim is to panic people into their nets. That goes for most of email stuff too.

I know that God is in charge and although many powers are all planning to do their wickedness--God is the One who is in charge-- the Four Angels will be held enough so as not to prevent the work of the Third Angel. I don't bother reading, watching or researching political things-- I am aware of trouble coming but I understand more by prophecy than news sources. I urge all to get into Present Truth Prophecy and realize that most of what is being put out as prophecy is not true because all TRUE prophecy is in harmony with the original message that went forth in 1840-1844. Our job is to study the original platform and with the light of the SOP learn the TRUE Present Truth Message and not be putting new interpretations on prophecies already fulfilled and established by the Holy Spirit through the SOP.

I saw that the four angels would hold the four winds until Jesus' work was done in the sanctuary, and then will come the seven last plagues. {EW 36.1}

The warning has come: Nothing is to be allowed to come in that will disturb the foundation of the faith upon which we have been building ever since the message came in 1842, 1843, and 1844. I was in this message, and ever since I have been standing before the world, true to the light that God has given us. We do not propose to take our feet off the platform on which they were placed as day by day we sought the Lord with earnest prayer, seeking for light. Do you think that I could give up the light that God has given me? It is to be as the Rock of Ages. It has been guiding me ever since it was given. Brethren and sisters, God lives and reigns and works today. His hand is on the wheel, and in His providence He is turning the wheel in accordance with His own will. {GCB, April 6, 1903 par. 35}
